SUBJECT NO. 330.

X-ray apparatus for Mysore Hospital.

Mr. K. Krishnachar, Seringapatam Taluk.

Summary of discussion.—An X-ray apparatus may be supplied for the treatment of patients in the Mysore General Hospital.

Reply of Government.—The question will be taken up after the construction of the new building for the Hospital.

SUBJECT NO. 331.

A dispensary at Melkote.

Mr. Srinivasaraghavachar, Y. S. V. Sabha, Melkote.

Summary of discussion.—A dispensary may be opened at Melkote as it has a large population and much difficulty is felt for want of adequate medical aid.

Reply of Government.—The District Board may consider at the time of preparing the budget for the next official year whether they can provide funds for the opening of a Vaidyasala at Melkote.

SUBJECT NO. 332.

Improvements to Seringapatam and Ganjam towns.

Messrs. B. Narasinga Rao, Seringapatam Municipality, Veene Rangaswami Iyengar, and K. Krishnachar, Seringapatam Taluk.

Summary of discussion.—The promised improvements to the historical and sacred towns of Seringapatam and Ganjam, such as improved drainage, opening out of congested parts, extension of the town outside the fort and water-supply scheme may be expedited.

Reply of Government.—The Deputy Commissioner of the Mysore District and the Chief Engineer will be asked to meet and consider what is possible to be done for the improvement of Seringapatam.

SUBJECT NO. 333.

Free libraries for Mysore and Bangalore Colleges.

M. V. Raghavachar, Mysore Taluk.

Summary of discussion.—Free libraries should be established, as in Madras, in the Oriental Library buildings in Mysore, and also in Bangalore.

Reply of Government.—This is not possible for want of funds. Bringing the libraries of the two first grade Colleges up to date is itself being found a matter of considerable expense.

SUBJECT NO. 334.

A Veda school at Nagamangala.

Mr. Chandrasekhariah, Nagamangala Taluk.

Summary of discussion.—As there are no *Upadhyayas* in this place, the local Brahmins have brought some from outside and are training local men.

It is not possible for the poor subjects to bear all the expenses. Government may therefore be pleased to sanction half of that expenditure at least as grant-in-aid to the Vedic teacher.

Reply of Government.—Not possible.

SUBJECT NO. 335.

Night classes in the school at T.-Narsipur.

Mr. T. Krishna Rao, T.-Narsipur Taluk.

Summary of discussion.—There is no one who is able to teach the school going boys at home during nights at T.-Narsipur. Therefore the teachers themselves may be directed to hold an extra class in the school between 6 and 7 P.M. Extra fees may be levied, if necessary, according to the status of the parents, and these fees may be made payable to the masters themselves for their extra trouble instead of crediting them to the Government.

Reply of Government.—This is not practicable.
